

# Tikes & Spikes

A *unique, fun* and *high-energy* program designed for little tikes and their parents to introduce soccer to them through creative and imaginative activities, with & without the soccer ball.

Your child will learn fundamental movements and coordination like dribbling, passing and shooting as well as positive group skills as respect, teamwork and appreciation. We are the first soccer club to offer this unique program to the youngest tikes in our region with experienced Coaches who offer Quality Programming.
